Leaders in Innovative Rural Health Care

Vice President, Clinical Services & Chief Nursing Executive Haliburton Highlands Health Services

Nestled in the heart of cottage country, just 2½ hours north east of Toronto, is the Haliburton Highlands, a place of opportunity and a superior quality of life. The Highlands offer the spectacular beauty of rolling hills and over 600 pristine lakes, but also safe and active communities to raise your children and reliable services for your retirement. Haliburton Highlands Health Services promotes wellness and provides access to essential, high quality health services including Primary Care, Hospital (Acute Inpatient and Emergency Care) Long-Term Care, End-of-Life Care, Mental Health & Addictions Services, and Community Support Services for the residents, cottagers, and visitors of Haliburton County and the surrounding areas.

The Vice-President, Clinical Services and Chief Nursing Executive (VP/CNE) provides vision, strategy, and collaborative leadership to support clinical leaders and their teams to provide high-quality services across all clinical programs. Reporting directly to the President and Chief Executive Officer, the VP/CNE is responsible for implementing the organization's strategic plan for patient, resident and client services in accordance with the mission, vision, values and strategic direction of the organization. An innovative and strategic leader, the VP/CNE plays a key role in guiding the organization in a collaborative, accountable, and aligned quality-focused culture.

The preferred candidate will possess exceptional leadership abilities and a demonstrated passion for engaging employees at all levels while promoting a positive internal culture. With superior knowledge of current trends in health care, including system transformation, Ontario Health Teams, and integrated models of care and service, the VP/CNE will have an ability to build strong relationships with a variety of individuals including patients, residents, clients, families, employees, physicians, volunteers, and community partners and stakeholders. Current registration and standing with the College of Nurses of Ontario is mandatory, and a commitment to ongoing education/professional development and a relevant Masters degree is preferred.
