DATE POSTED:	AUGUST 12, 2021

POSITION DESCRIPTION:

We currently have opportunities for casual Screeners at Haliburton Highlands Health Services, Long Term Care facilities. With many current screeners returning to school and university there are a number of vacant positions.

The purpose of the role is to ensure that staff and visitors to our Long Term Care Facilities are well and COVID – 19 symptoms free. Screeners provide a number of questions that are related to potential COVID symptoms, recent travel and contact with others, to visitors and staff. If questions are answered in a positive manner, they are denied entry and sent home or recommended to go to ER for assessment.

QUALIFICATIONS:

- Minimum Grade 11, or equivalent, from the Ministry of Education (Ontario)
- Demonstrated working knowledge of spoken and written English
- Experience working in a health care setting or security, related social service, or educational field (may include high school health co-op or volunteer work in a health or long-term care setting) is an asset
- Satisfactory police check for vulnerable populations
