

Providing support to help maintain your independence...

Home help is just a phone call away!

For a minimum of 2 hours at \$20.00 per hour (unless tools/equipment are required), Community Support Services can assist you with contacting a Brokered Worker to help you with those 'around the home' needs.

Our goal is to provide our clients with access information to skilled workers who can assist with light housekeeping or minor repairs.

How it Works...

Home Help and Maintenance is a support service provided by a Brokered Worker to assist with routine household activities or home maintenance and repair jobs.

A brokered worker is not an employee of HHHS: rather, they work as independent contractors.

References and police checks are required before an individual is added to our list of available Brokered Workers.

Who is eligible to receive this service?

- Adults (age 18+) with disabilities and/or Seniors (age 55+)
