### **POSITION DESCRIPTION:**

The Personal Support Worker provides resident care in relation to activities of daily living, quality of life, environment management and continuous communication. She or he, as a member of the health care team, has a significant role in promoting health, preventing illness, and helping residents attain and maintain the highest level of health possible in situations in which a resident's condition is relatively stable, less complex and the outcomes of care are predictable.

### **QUALIFICATIONS:**

- Successful completion of Personal Support Worker program which
  - Meets one of the following:
    - The vocational standards established by the Ministry of Training, Colleges and Universities,
    - The standards established by the National Association of Career Colleges, or
    - The standards established by the Ontario Community Support Association; and
  - Must be a minimum of 600 hours in duration, counting both class time and practical experience time.
- Experience in working with the acutely ill, chronically ill and/or palliative clients preferred
- Understanding of MDS RAI an asset.
- Problem solving
- Organizing own work
- Excellent recording and reporting skills
- Personal care skills
- Ability to read, write and communicate effectively in English
- CPR

In addition, the successful candidate must be available to work day, evening and night shifts, along with weekends and statutory holidays. An ability to attend work on a consistent basis is also a requirement.
