The Opportunity

HHHS has a great opportunity for an Emergency Medicine Physician to provide patient care to a wonderful and appreciative community at the Haliburton site. The Emergency Department averages 15,000 visits per year, and has excellent in-house and referral centre support. The successful applicant must be eligible for independent practice licensure with the College of Physicians and Surgeons of Ontario with CCFP (EM) certification or CCFP with experience is preferred. In addition, the candidate must have ACLS and ATLS certification, and PALS is an asset. Emphasis will be placed on candidates with strong communication skills and experience working in rural environments. Family Medicine positions are also available within the community.
